Julie Braun

Julie,

Well - here it is 1983 - the year in which we take that step into the future - WOW! We've had so many memories so far and just think of the ones to come. You're a super person to be around ~ Congrats on being cheerleader this year ~ you did a super job during football - I haven't gotten to see you during wrestling yet ~ I'm sure you're doing a super job!

Thanks for being the friend that you are ~ you're really a special person!
Love always ~

P.S. Sorry I had your annual so long!

Jill ☺

Best of
Luck
Always

Dear Julie,

Finally our senior year?

It seemed like it would never get here and now that it has it seems like just yesterday we were little freshmen. We have a lot behind us but a lot more to look forward to in the future. Like; Sweetheart, Prom, basketball and last but not least wrestling! (just to name a few) We're going to make wrestling great this year!! Good luck in everything you do or want to do in life, and of course with the men

MFA

Gena

Dear Julie,

What can I say, we're finally seniors!
It's been a long 5 years in at Logan View
but we're finally made it. Before I get
too involved in writing about all the
great times we've had, I want to thank
you for being such a special friend. You've
always been there when I needed you or
your support. I want you to know how much
I appreciate it and I hope you realize that
I'm always here for you. (now or after May 15)

Don't ever forget the time we went for
pizza & ice cream after school. (I know I won't ~
I still have the pizza stain on my coat. haha)
Remember Foreign Language Day at Lincoln?
That was a blast. ~ even though we had to
pick out Easter candy for an hour & Judi
put it back. Oh well I guess we all change
our minds. And Tico's ~ who could ever forget
Tico's ~ best service I've ever had.

Well so much for the memories ~ even
though there are billions more (not counting
the ones we'll have next year at this
time) I also want to congratulate you
on getting cheerleader again this year ~
you're doing a super job. Good luck
with track this year (even though you
won't need it) Hopefully there will be no
sudden operations in the future to
stand between you and track like last
year. Oh, I almost forgot about volleyball ~
we want it! ... Not tonight! ~ Keep the
great work. Well I'd better sign off
before I run out of room. Keep being
the special person you are & I'm positive all your dreams will come true.

Love Ya Always,
Kori

Julie,
Well, Good luck
in your last year
at UV and try to stay I hope
out of trouble (hi. ha!) good friends.
we can always stay

Your friend
Hugh
p.s. as you can tell, I'm no good at signing annuals.

The Raider football squad got off to a great start by knocking off its first two opponents. After a loss to West Point, the conference champs, the Raiders won a decisive victory over North Bend to top off Homecoming Festivities. The team lost its last five games and ended the season with a disappointing 3-6 record.

Raiders Victorious On Homecoming

Homecoming festivities for the Raiders began on Monday, September 21, 1981 with a hat day. Tuesday was designated as dress-up day, Wednesday as tie and shade day, Thursday as toga day and Friday as blue and gold day. On Thursday night a car bash, sponsored by the lettermen, and a bonfire sponsored by the pep club was held to boost the Raiders spirit. On Friday, September 25, the game between the Logan View Raiders and the North Bend Tigers began at 7:30 sharp.

At half-time, the 1981 Homecoming candidates were introduced to the crowd. The crown bearers, Megan Schrieber and Bradley Beard, presented the crowns to last year's Royalty, Tammy McManigal and Brian Sweet. The crowd anxiously waited until Glenn Blomendahl and Tammy Dorfmeier were crowned the 1981 King and Queen. The game ended on a high note with a 28-14 victory over the North Bend Tigers. After the game everyone enjoyed the annual Homecoming dance sponsored by the Pep Club and Student Council.

The Raiderettes had a fine volleyball season. They lost their first match to Tekamah-Herman but came back to win six of their next seven matches. They fell to Tekamah and West Point in the East Husker Conference Tourney. The team won their first match in the District Tournament but was upset by David City in the semi-finals. Until that defeat the Raiderettes went undefeated against Class C schools. The Raiderettes ended the season with an 8-6 record.

The Reserve team ended their season with a respectable 7-2 record while the freshmen tallied an even 5-5 record.

The 1981-82 season was a season of rebuilding. The team lost the entire starting line-up from last year's 13-4 team and only two junior letterwinners were returning. The four season victories came against Scribner, Lyons, Oakland-Craig, and in overtime against Dodge. The biggest victory came against Lyons when the team won by the margin of 47-33. The team was unable to get past the first rounds of either Conference or Districts, but valuable experience was gained by the underclassmen.

The boys track team had a very successful season this year. They were Champions at the Logan View Invitational and the North Bend Jaycee Invitational and were Runnerup at the West Point Invitational and the North Bend Invitational. This years team was the first in the history of Logan View to win the East Husker Track title. Logan View sent two individuals and one relay to the State Track Meet at Omaha Burke by qualifying them at the district meet held at Pioneer Park in Columbus.

Jesse Thompson broke the school long jump record with a distance of 22'10". He also qualified for state and placed fourth.

Jim Mengedoht qualified for state competition and fished with a 4-way tie with a jump of 6'2" and brought home a fifth place medal.

The 1600 meter relay team of Wes Lang, Robert Parr, Ted Mallette and Brent Thomsen set a new school record with a time of 3:36.1. They placed among the top three at all major meets and 2nd at conference and districts.

Julie,

Well, we finally made it to the top. We are big seniors now. It sure feels good to be bossing around the freshman. We've been through a lot together the past month. Your volleyball team is doing pretty well so far, just keep it up. I hope you have even a better track season. Try to make the most out of your senior year. Well, good luck this year and in making all your goals successful.

O-C
"83"

Paul

P.S. I really do care an awful ^{lot} for you. And I hope we can still be friends no matter what happens between us.

Julie

Well good luck in your last year of high school. And after high school with your ^{of} career and your special someone that you find. Don't forget all the fun times we've had together, like Sweetheart "81" Now we can look back and laugh. Also the time we went to Fremont. And had a little bit of a problem. Well be good and stay out trouble.

A friend always

P.S. we have to have one of those

Turner, senior talks. You're a good friend and a nice girl. Stay good looking and have fun with whoever it is. You find your friend ~~that~~ ^{you} find it is.

Julie,

Julie,
The time has finally come. We now are the leaders of the school. It's hard to believe we're seniors. I could babble on and on about all of the great memories of the past. But I imagine lots of other people have to right in here. Remember our little ditties-like when Jammie and Mike went together and broke up. If they were together then we were friends but if not then we weren't friends. Well I hope to have lots of fun times the rest of our year, will have to have some get together before we depart - I hope you have a very successful life and remember me always!

A fellow 60-60

your friend always,

ya,
Angie
